

Versilia Supply Service Srl

BROUCHURE

General information

Via is based in Viareggio. Situated within the Tuscany region of Italy, the port of Viareggio is a popular resort all year round with many superb restaurants, enjoyable shopping and numerous entertainment and sporting events. The area boasts event from an annual Carnival and Power Boats races to the Puccini Opera Festival, and a thriving nightlife. The walled city of Lucca, and Pisa with its famous leaning tower are close by, while Florence and the whole Chianti region are easily accessible. Viareggio also offers excellent road, rail and air connections making it an ideal base. For the crew during longer stays, there is excellent all round entertainment from walking in the mountains and skiing to good local bars and night clubs.

Road & Rail access

Viareggio offers regular train services within Italy, with a daily express to the south of France. The Autostrada stretches from Viareggio to Monaco and the South of France, as well as all Italian cities and major towns. The estimated travelling time from Viareggio to Lucca is about three and a half hours, depending upon traffic conditions.

Customs

Current EEC rules apply. Please consult VSS office for specific details.

Payment & Accounts

All major currencies will be accepted by VSS according to the current exchange rate. VSS also accepts VISA, MasterCard, American Express and Carta Si. VSS would be pleased to arrange account facilities where appropriate. Please call for details of terms and conditions.

Air Access

Pisa International Airport is only 118km from Viareggio and is served by all major international carriers: Alitalia, BA, Lufthansa, Delta, etc. ... with direct flight to London and New York daily and a regular service to Palma de Maiorca.

MARINE STORE

For your convenience, we also have a fully stocked chandlery shop just one block from quay side. Our friendly staff speaks English and will help you to find what you want, at a reasonable price.

Versilia Supply Service

One call, one stop!!!

Versilia Supply Services

is an expanding yacht support company dedicated to serving the marine trade and professional mariner wherever our clients are in the world. We have an impressive, ever growing base of dedicated clients. To ensure the best service for our clients, VSS is ideally situated in Viareggio, the major Italian port for construction, repairs and equipment supplies, and is central to Mediterranean yachting. VSS has affiliate companies in more than 30 worldwide yachting centres through the associated companies. Many years of sourcing and supplying parts and equipment, plus our staff personal experience in the operation and maintenance of professional yacht, combined with our friendly attitude has resulted in an enviable international reputation.

Services

VSS provides a wide variety of special services, ranging from shipping agency to customs assistance through affiliated companies. We will be happy to arrange the bunkering of your fuel and lubricating oil requirements in association with our international network of specialists. Our success is based on our attention to detail, rapid delivery service and continued perseverance in meeting your requirements. VSS will assist you and take care of all the problems that may arise with working and living at sea.

Duty Free & General Supply

A complete range of international brand name duty free goods, Italian and foreign food and beverages, plus products and equipment needed for any yacht are available. VSS maintain and operate a fleet of suitable trucks and vans including those with refrigeration facilities to personally deliver to your yacht at any location in Italy, the south of France, Spain and Balearic Islands, Corsica, or Sardinia. VSS are also recognised suppliers of the top name international yachting wear.

Spare parts

Getting the right part for your yacht to the right part of the world at the right time is not any easy task! However, our clients find that the company's experience in this very specialised field not only takes the problems away from you, but ensures that the job is done right the first time.

Safety Equipment

We stock all leading brands of safety and lifesaving equipment to solas and MCA standards. EPR's, fire suits, smoke protection hoods and BA sets are just some of the specialist equipment we supply along with MCA medical kits. In addition we are a liferaft and fire extinguisher collection and service point.
